TO EXPLORE COMPATABILITY

The Revised Filmography

In the original *10 Conversations* I offered a list of movies for couples to watch, each related to one of the conversation topics. However, feedback from readers suggests that despite the days of instant downloads and NetFlix, a number of my selected titles are increasingly difficult to find (e.g., *Disclosure*, *House of Sand and Fog*, and *Fever Pitch*). Thus, and “to keep the conversation lively,” I present “The Revised Filmography.”

1. Having Kids *Parenthood* (1989, Steve Martin, Mary Steenburgen)

4. Sex *Friends with Benefits* (2011, Justin Timberlake, Mila Kunis)
